SUGGESTED DECREE

Beloved Mighty Victorious Presence of God, "I AM" and Beloved Ascended Master Jesus Christ! Place upon my forehead this instant—sustained and expanded forever—a disc of the Golden Flame of Your feeling of God-peace and place a miniature of Your Luminous Presence within it—in blazing white light. Place a disc of this description over my solar plexus, larger in size. See to it for me that these protective discs of light keep my world entirely free from doubt and fear and, by picturing these activities placed upon those I contact, see that it keeps their worlds free from these distresses also. I consciously accept this done RIGHT NOW with full power, sustained and expanded until all are wholly ascended and free. I thank You, bless You and love You—Beloved Jesus!

WINGS OF HOPE

Wings of Hope, enfold our planet round;
Wings of Hope, bring Freedom's joyful sound!
Bells of peace and joy now ring;
Make all life arise and sing!
Resurrection's Flame of beauty bright,
Raise our Earth victorious in light;
Wings of Hope, all fear remove—
Love's forgiveness prove.

Wings of Hope, of Cosmic Christ release,
Transmute discord into Heaven's peace;
By the power of Your Heart-Flame,
Raise the Earth in th' "I AM" Name!
Wings of Hope, protect God's life in all,
Free all Elementals, great and small;
All Hope's courage now impart
To each beating heart.

Wings of Hope, we lovingly adore
God's perfection Earth once knew before;
Resurrect in the worlds of men
God's perfection here again.
Central Sun, our Source of life so dear,
Bless our Hope for bringing to us here
Wings of Hope that all may be
Free eternally!

MELODY: "'Til We Meet Again" (Old Song).

Volume VI APRIL, 1957 No. 1

To the Cosmic Spirit of Resurrection:

We send gratitude, blessings and praise this Holy Season for the magnificent *gift* that lies within all life, to restore, resuscitate and resurrect the Divine Pattern through the seemingly lifeless or decadent form.

To the Beloved Master Jesus:

We send that same gratitude, blessing and praise for proving to mankind that such a power does exist within life. In His Ministry, He called forth boldly in the Name of God, the perfect expression of life, from all who came to Him *in faith* and asked for such resuscitation.

We bless the Beloved Mother of Jesus for Her tremendous assistance to Him during His ministry. We thank the Brothers and Sisters of the Resurrection Temple Who—under the direction of the Archangel Gabriel—assist in directing the life-giving, renewing resurrecting power into the lives of those who *in faith* ask for such assistance.

We bless Our Lord Maha Chohan Who, through the Nature Kingdom, gives the proof of the power of resurrection in each recurrent Springtime.

It is Our decree that mankind accepting the resurrection in nature and rejoicing in each Springtime, shall take this lesson personally and apply it to the resurrection of their own Divine Natures here and now!

Thus shall it be! A resurrected Earth with all Its attendant evolutions, joining in the music of the spheres and emitting light, love, beauty, harmony, and praise into the Universe, of which the Earth is presently a part. Let this Easter be your Resurrection Day!

RESURRECTION TEMPLE OF JESUS AND MARY OVER THE HOLY LAND

April 15th through May 14th, 1957

The blazing focus of the Resurrection Temple radiates forth Its resuscitating power from the Etheric Realm over the Holy Land, where the beloved Master Jesus lived and proved the power of resurrection at the beginning of the Christian Dispensation.

This Temple is created of substance which resembles "Mother-of-Pearl". The presiding Beings Who magnetize and radiate this Resurrection Power are Beloved Jesus and His Mother, Beloved Mary. The purpose of this Focus is to continue to pour into the emotional, mental, etheric and physical consciousnesses of all the evolutions belonging to the planet Earth, the reality of the actual power of resurrection that lies within life itself.

To resurrect means to "bring to life again" that which is seemingly dead. Mankind are witness to this resurrection through the Nature Kingdom in each Springtime. It is the decree of the Holy Ones Who guard the Resurrection Flame that mankind shall also "tune in" to this Resurrection Flame and *consciously* resurrect the perfection which lies dormant in most human beings.

As the Spring sunshine stirs the dormant life within the Nature Kingdom, Our Lord Maha Chohan sends forth the pulsation of the Resurrection Flame through the Earth *and*

obedient life responds, literally "rising from the dead" in the miracle of Spring.

The beloved Master Jesus endeavored to show mankind that *what nature can do man also can do!* He, therefore, submitted His holy, undefiled physical body to so-called "death" and then, through the invocation of this Resurrection Flame, He brought life back into that same body as an example to all mankind that what can be done by a flower, a shrub or a tree, can also be done by members of the human race.

Mankind, for the most part, have accepted the resurrection of Jesus as a "miracle" *only possible for Him* and have not availed themselves of the use of the Resurrection Flame to restore their own vehicles to perfection; rather submitting to disease, disintegration, decay and finally so-called "death".

However, to keep alive the *feeling* of the power of Resurrection in the consciousness of unascended mankind, Beloved Jesus and Mother Mary now continuously send forth into the atmosphere of Earth that victorious radiation from this Temple which is the focus for the activities of the Great White Brotherhood during this thirty-day period.

Individuals sincerely desiring to overcome disease, old age, disintegration and decay are drawn in consciousness toward the Resurrection Temple while their physical bodies sleep, by the magnetic power of their own desire to accomplish that which Jesus did. This Temple is particularly beautiful, for It is the focus of the Directors of the Forces of Nature and the lovely Elementals representing the Four Kingdoms—Fire, Air, Water and Earth—play in the atmosphere and aura of this Temple at all times. The radiation of the Resurrection Temple is like a glorious rainbow of colors and the visitation to It by Those God Beings interested in developing the capacity to resurrect the Divine Plan on this Earth add to Its great beauty and light.

The Resurrection Temple is circular in design. It is composed of seven circular corridors around the central altar where the Resurrection Flame rises. As this Resurrection Flame radiates Its buoyant, uplifting, life-giving, resuscitating power through the seven corridors, beautiful Beings in each of these amplify Its power and direct It to all life upon the particular Ray which They serve. Visitors to the Resurrection Temple

enter the corridor where the radiation of Its Flame has an affinity to their own and their potential expression of Divinity. Here they are charged with renewed hope and spiritual vitality and are made *consciously aware* of the truth of "life everlasting".

Great Teachers from the Ascended Masters' Realm often discourse with unascended beings in these corridors (drawn to Them there in consciousness while the physical body sleeps); helping them to accept in their feelings the power and practical use of the Resurrection Flame, in the hope that, when they return to the outer world, they will carry sufficient conviction of the power of resurrection into their own spheres of influence.

Like all talents and virtues, there can be an inversion of the use of the power of resurrection. Man uses it often in resurrecting memories of an unpleasant nature and experiences long since past away, which should be completely forgiven and forgotten; thus causing distress to himself and others. In the Resurrection Temple, man is taught to use the power of Resurrection *only* to bring to life the Divine Plan for himself and those whom he is privileged to influence.

Jesus' statement: "I Am the Resurrection and the Life"—like many other statements of the Immortals repeated by mankind—is not completed. "I Am the Resurrection and the Life *of Perfection*" is the *completed* statement.

Enter into the Resurrection Temple at least once in every twenty-four hours; bathe in Its Flame; practice the use of the resurrection power that is within your own life to restore to you the perfection of Being which you knew with the Father before the world was! This is the invitation of the Ascended Host to all mankind during this Holy Easter Season. Accept it! Use it! Feel the resurrecting power of Divinity (presently quiescent within you) stir into action and then allow it to flow through all your inner vehicles, your physical body, your aura and into the world in which you presently abide. Thus do you become a Resurrection Temple in yourself.

(NOTE: For further description of the Resurrection Temple, please see Transmission Flame Book, pp. 52-54; "The Bridge to Freedom", Vol. 2, No. 2; Vol. 3, No. 12; Vol. 4, No. 12.)

An Address by
OUR BELOVED MOTHER MARY

December 2, 1957

Beloved and blessed children of God—My Own "heart-children" too—how often have you stood before Me, having been called by the Karmic Board to receive new opportunity for embodiment on Earth—opportunity again to "make things right" and balance past mistakes. When you thus came before Me, in the Sacred Heart Temple, how often have you held behind your back that portion of some destructive karma which was yours to expiate in the next Earth life! Then as one would do to a little child, I would take your hands in Mine and, opening them, look upon that karma. Then with all of My great love for you—with the help of the mercy and powers of light which are Mine, I would give you the greatest help I could in the creation of the best heart possible.

How many times have you and I met? When you *really meet* a person, *what do you meet?* Just their consciousness—is that not so?—whether or not their physical forms are in close proximity to one another. Two physical forms may be as near each other as these two microphones are here—*yet the consciousness of those two individuals can be miles apart.* Whether one "meets" another in person, over the telephone or by reading his or her words upon a written page—still all "meeting" is *just an exchange of consciousness!*

So far as We in Our Octave are concerned, most of our "meetings" with unascended lifestreams consist of receiving from mankind the consciousness of petitions, prayers and various other types of invocation for help, asking for some supernatural surcease from the suffering of returning destructive karma. Lately, from dedicated groups of consecrated individuals here (more often previously has it occurred in the East) the sweet perfume of prayer arises to Us without a request or desire for some special assistance—just gratitude for your own being; gratitude for Our friendship and Our desire and ability to give you Our help when it is needed.

Now, dear hearts, We are always so grateful for whatever consciousness you do give to Us, for your attention upon Us gives Us the only "Open Door" We have into your worlds through which We can answer your calls and give you the help required.

We want you to call to Us when you have problems and distresses to handle, for We have become Masters of those problems in the physical appearance world and have earned the right to abide in these Octaves of God's eternal peace and perfection; these past experiences of victorious accomplishment over the same types of distresses you are handling today having equipped Us to transmute them into light. After all, just what are those problems? They are nothing more nor less than energy, vibrating too slowly to produce perfection. By the power of Love and Light which We have become, We can project Our light into that energy and raise it into a vibratory action which cannot produce distress of any kind. Whatever your problems may be—think upon Me and I shall not fail to answer you immediately. I am as real as you are—shall we say more real than you are in your outer consciousness—for My entire Being has become eternally changeless God-perfection!

Remember, I have walked the dear Earth as you have done and have suffered many of the vicissitudes of human experience upon this planet; many of its insults and, later, many of its praises. I am a woman who wore a flesh form, bore an Infant Son; held that Infant in My arms, cared for Him and watched that little body grow. If you can think of Me as such a very real Being and Divine Friend to you, letting our friendship grow in strength and efficacy as the days go by, who among you can tell Me what a tremendous service to all life we may be able to render together? Why could not any soul, sincerely consecrated to the drawing forth of God's loving care and healing power for His people, be efficacious in that service and, calling to Us, enable Us to establish a focus of healing for the transmutation of the distresses of certain individuals,—for that matter, a whole city? Such a dedicated lifestream long ago offered Us similar opportunity to establish such a healing shrine on a rocky hillside in France (the Shrine of Lourdes)—builded to its present efficacy by the faith of those who come for help but who know not how and care not how they are restored.

Unusual Assistance Available Today

Beloved ones, you are really so fortunate today for you live in a time when the Great Cosmic Law is allowing Us to bring you so much of Our consciousness! The door to Our Realms

of Light has been opened wide to you and your love, light, constancy and interest in helping mankind out of their distresses has been such that Those Who have the power and authority so to do, have directed to and through Us the permission to come and bring to you Our Presence, Our consciousness and Our words of instruction. May I also say that We hope—one day soon—to be able *to bring forth through you*—Our works!

"Faith without works is dead"—you have heard it said and there is a great deal of Truth in that statement. You see, it is not a real, deep and true Faith if there are no works to support it. I saw My beloved Son raise the so-called "dead" body of Lazarus which had been entombed for some time and surrounded not only by the winding cloths of death but also by the "winding cloths" of grief and despair of his loved ones. I watched the Beloved Jesus reach forth His hands toward Lazarus and through Him God's great Infinite restoring power of life and light flowed, raising and making completely whole again a body which was so diseased.

I have seen men, women and children who had been blind from birth, those who had never seen the blue of the sky or the bright green of the early Spring, open their eyes and see for the first time in this embodiment; able to enjoy the beauties of life—all done through the releasing of the currents of God's healing light, directed through the channel of a single lifestream (Beloved Jesus) Who was completely consecrated and dedicated to "His Father's business". The "Second Coming" has been promised and there has been much talk about it. Do you know that it is promised in "multiple numbers"—through *you* and *you* and *you*—through any and every one who will so dedicate and consecrate his or her life to be about "the Father's business"—doing His Will?

O yes—this can and will be done when, by your daily attention to It, that individualized Christus now sealed within your hearts, has expanded sufficiently to completely control your outer consciousness in sustained harmony and peace; when your blessed souls have received enough God-light; when the appearance world has lost its tremendous hold and "pull" upon your attention; when you really take Our hands and allow Us to assist you—not as ephemeral, cloudy Beings or as Gods and Goddesses upon pedestals of ivory or marble, but as living,

breathing lifestreams Who, either upon this Earth or some other planet, have learned how to use the powers of creation; have learned how to magnetize and radiate the gifts of the Father-God and, in so doing, became God-free forever.

Mary's Personal Experience

Like most of you, I first came to the Earth filled with enthusiasm and desire to help mankind—sure and certain of My Own God-connection with My Own Divinity; positive that no rip-tide which flows through the atmosphere of Earth nor any contagion of the fears, hates and diseases of the people could or would possibly enter My mind or feelings. I know whereof I speak—for I have been through it all! Long, long, before I was privileged to take My initiation before Lord Maitreya and qualify to become the Guardian and Protector of the lifestream of Jesus in His final embodiment here on Earth—long before that I took embodiment on this planet as a woman—was raised to My maturity—and then given in marriage unto a very holy man Whose name today you would know were I to mention it. This man was filled with reverence and peace but I was unhappy there and I lived rebelliously within his home. In My own thoughts and feelings there was a resistance to His sanctity. Where that resistance came from I shall not tell you but to this man I bore a child—a child whose body was builded of My Own concepts—deformed; a child that no one but a mother could love.

I lived with that child and raised it—learning during that time something of what hidden and destructive thoughts and feelings can do, not only to the molding of the flesh of the unborn carried beneath one's heart, but also to the energies of one's own personal world. That child passed on not too late in life—thank God—and all during this experience, my loving husband protected both the child and Myself. When I finally passed from that embodiment—believe Me—I certainly did apply for entrance into those Temples of Light at Inner Levels where one is trained to govern and control thought and feeling. It was then that I took the vow (when I was ready so to do—how many embodiments later it was I do not care to tell you!) to be the Protector of the children—the unborn and the born—especially the deformed and unwanted and of the mothers and

fathers who suffer the agonies of distresses which are similar to those of My experience.

You see, dear friends, sometimes these very "trying" experiences become the very goad one requires to compel the stubborn human knees to bend to the goodness and perfection of God's Holy Will. The only reason I have related My Own story to you was that I thought it would encourage you to know that I had had such an experience. For no other reason would I put the thought of anything less than perfection into your minds.

Now, understanding as I do, I am so grateful to be able to help every child who comes before Me in the Sacred Heart Temple and to give them all the blessings I can where I see that there is a tremendously heavy destructive karma to be expiated in their next Earth-life and I see something of the distress they will have to live through. When I do look upon such an one, I ask one of My assisting Ladies of Heaven to take that lifestream aside and place them within a special room which I have created for just such occasions. Then, as soon as I can, I go to such an one and take the time to talk to them, explaining the situation and how they can best handle it. This helps to prepare them in some measure and sometimes the great Archangel Gabriel brings into that Council room at night (while their physical bodies sleep) the prospective mothers and fathers of these children for consultation too. That radiation at Inner Levels has often given the incoming lifestream the strength, courage and power later to go through those experiences of distress victoriously.

Because so much of Our activity is not visible to your physical sight and outer consciousness, it seems unbelievable to you. You see, dear hearts, you do not see all that We do for you see mostly just the conditions of chaos and distress which manifest,—about which One I love so dearly has said: "Judge not according to appearances . . . . ." Of course, you all know you *should not,* but when that unhappy experience is looking right at you (as it were) it seems so difficult for you to know its unreality and, calling for its transmutation into light by Violet Fire, replace the imperfect picture by that which you desire to see manifest—the Immaculate Concept.

There is much more spiritual light in the world now than We had here in Our day. Many of the rip-tides of mankind's

combined destructive thought and feeling are gone and much of the discordant accumulations of the centuries in, through and around your own worlds is gone, through your persistent faithful use of the Violet Transmuting Flame, with the help of the Great Ones. All of this is to the good and all of this makes Us feel very, very grateful and very reverent before the Universal First Cause. We are so grateful also to and for those unascended beings who are willing to come together, stand on their feet and rhythmically give those determined calls for the removal of the cause and core of plaques, germs, epidemics, disease and all pain.

At this time and for some time ahead, the Beloved Jesus, Saint Germain, Beloved Raphael and the Angelic Host as well as Myself—in fact all of Us Who are particularly concerned with the freeing of the Earth, are going to endeavor *to make you feel Our closeness to you;* that We are living breathing Beings, just as responsive to you as would be a trusted friend whom you would call on the telephone to make a request of that one. You know that friend would respond instantly to your call. That is the feeling of spiritual partnership which is of the New Age; it is the Age of your Master, Our Beloved Saint Germain; the Age of the practical partnership between the Angelic Host and unascended mankind; the Age of the partnership between mankind and the Elemental Kingdom and that Age has already begun to come into manifestation.

Sustained Peace—a Vital Necessity!

Now, most of you—all of this life—have been seeking peace, health, sustained harmony and illumination—*mostly peace*—may I say, and *you will never find permanent peace until you have found it inside yourself!* I know! When the Beloved Gabriel came to me with that Anunciation concerning the coming of Jesus and when I began to know something within Myself of the great responsibility entailed in bringing forth the physical form of that One Who was to render such a transcendent service, it was not so easy to hold that calm, uninterrupted peace. As I have told you before (and I do not wish to be repetitious) it was not easy to hold the peace when—once We thought We were all settled after the child was born—then the Beloved Joseph was warned by an Angel of danger to come. We had to leave quickly for Egypt and there it was not easy

to hold sustained peace either, as We made a new life with very little in the way of this world's goods; among an alien and rather unfriendly people and beneath a strong, hot Sun which beat down relentlessly practically every day. Those of you who have been in Egypt (some of you will be one day) will know what I mean. It was not very easy for Me to hold the peace when I led that little "Infant" (at least to Me He seemed so) into the gates of the Temple at Luxor. It was not easy to hold the peace, either, when, after the passing of Joseph, Jesus went the long way alone across mountains and plains into India for further instruction. I had to learn to hold that infinite peace in My feelings which, incidentally, stood Me in good stead one Good Friday. That day I also had to hold the feeling of peace around that blessed Jesus as a protective aureole while His blessed bleeding body was nailed to a cross.

Also—that inner peace stood Me in good stead again when I was called upon to gather together around Me the frightened, disillusioned disciples and followers of the Master Jesus' teachings, as well as during the many years when We built Our community—the details of which would make a book in itself. *If I had not been able to hold that inner peace, there would be no Christian dispensation today;* no mighty cathedrals with their spires pointing to the sky; no great choirs of lovely singers and no ecclesiastical glory of the Christian Church.

So, I say to you now, while you are yet in that state (shall we say) of "spiritual infancy"; while you are yet groping toward an understanding—paraphrasing Solomon, may I say: "With all thy *understanding*—get *PEACE!*"—*not a surface feeling of energy controlled by your will,* but a *feeling inside* of a deep, abiding peace *which cannot be disturbed.* One day you will need it! If you are the type that is prone to become hysterical in emergencies, I recommend that you apply daily to the Elohim of Peace! to Beloved Jesus, Prince of Peace; to Beloved Gautama, New Lord of the World; or to My humble Self, asking that we charge into your feeling world (letting that feeling of peace expand through all your four lower bodies—physical, etheric, mental and emotional). If you *really want* this peace which We can and want to give you, *you must give Us opportunity* to charge Our feelings into your worlds. Our feelings are the actual substance of Our life and We can only

(*Continued on page* 16)

THE MASTERS OF WISDOM SPEAK

ON: LIFE—ITS INTELLIGENCE, OBEDIENCE AND IMMORTALITY

MAHA CHOHAN:

Life is a gift from God! Life, therefore, is intelligent and does respond to direction. Life is obedient to man because *God* (by whatever Name you choose to call Him) *directed the* intelligence in life to obey. Life is immortal *because it is the essence* of God, Who is Immortal; given freely into the creation of planetary systems, individual beings, and generally, *all that lives.*

Mankind are studying life. No scientist has yet been able to actually generate life, although many dedicated men and women have prolonged life in a particular form. The orthodox people refer to life as that which "The Lord giveth and taketh away." However, they err in their belief that the Giver *actually takes away life.* That life which seems to have been "taken away" is merely summoned to function in a different Sphere, still under the direction of the free-will of its user. You, gentle reader, are one of the billions of souls belonging to this Planetary System who have been given the use of life, which has obediently fulfilled your conscious or unconscious commands through the ages. The nature of your soul, the state of your mind and bodies (inner and physical) your surroundings and aura are a result of your qualification of life through the ages. Now We come to a time when you are offered the knowledge and application by which you may redeem the life given to you, resurrect the Divine Image in which you were created and—generally—allow life within and about you freedom to express perfection.

EL MORYA:

Life, gentle readers, flows into your being constantly. Because it does so silently, without fanfare, it is accepted too prosaicly by man. Life gives intelligence to the brain and various members of your body, receptivity to the senses, power of motivation to the physical and inner bodies. It is time to consider from WHENCE comes this life and WHAT should be done with it. Man can no longer continue to be the beneficiary of the great Giver of Life and not courteously ask of that Giver for what purpose is that life given. When that question comes from the *soul,* the *heart,* and the *mind* of man, the answer will be forthcoming from the Giver of life. Then man will be held responsible for his further use of life; much more so than the individual who has not come to the point of spiritual awakening,—where he asks this question and receives the answer. "I Am" among Those Who have offered to convey the answer to the earnest ones who truly desire to know from whence comes their life; why they are sustained in this physical world and how they can use life to help fulfill their individual destinies, as well as courteously cooperate with the Giver of life.

KUTHUMI:

Mankind has used life rather promiscuously through the ages. Because life is obedient and intelligent, it has obeyed the directions of mankind's thoughts, feelings, words and actions. Life has taken on the forms which mankind themselves created. These forms are not always pleasurable to the outer self. When mankind realize that life in itself is immortal, obedient and intelligent and that they, themselves, have the power to direct it into constructive channels, they will come to a point where self-mastery is possible. Truly it is said "He is worthy to command who has learned to obey." The Earth is a schoolroom where mankind have been endeavoring to learn how to mould life substance into beautiful forms, beautiful colors, beautiful radiations, for their own blessings as well as their fellowman. However, man has "fumbled" a great deal in this process of learning and as the apprentice-carpenter leaves many shavings from the beautiful wood upon which he practices, so have mankind left many similar "shavings" in the atmosphere of the Earth where their experiments have taken place. Many of these "shavings" are not of constructive expression and are called "human creations". It is to clean up the "shop" (the Earth) of these imperfect expressions of the use of life, that the earnest student is dedicated. Even as the worthy apprentice must sweep clean the "shavings" of his crude endeavors, so must the student who wishes to use life constructively engage in the task of clean-

ing up the discordant creations and clumsy efforts of his ages of experimentation with the use of life. For this purpose, the Violet Flame of Mercy and Forgiveness has been created and Its use given to a few among the sons and daughters of men. If they willingly use it, as the apprentice-carpenter uses his broom to clean his room, then they are ready to be given the instructions which lead to conscious direction and channeling of their life energy into forms of beauty, harmony and perfection of expression. We are in this period now!

PAUL (THE VENETIAN MASTER):

Having seen the very smallest electron projected forth from the God-head (the Universal "I Am" Presence), We know that within even *one* of these electrons (billions of which form your living river of life) is all the power and potential creative activity of the Deity, it is Our endeavor to draw forth from the individual who is ready for such assistance, the gifts that are inherent within the life so freely and constantly given into his use and governing power. As uncountable numbers of these electrons pass into the being of every member of the human race every minute, if an individual were to utilize the talents, gifts and creative power within even one such electron, he would be amazed at the perfection and generosity of the gift of life itself. However, man lets life (like water) flow through his being unused or, *worse still*, destructively qualified by thought, feeling, spoken word and action. The Music of the Spheres, the colors of the Heavens, the wisdom of the ages—all these gifts and more are within his own life. We, the Brotherhood of Love, endeavor to direct Our Rays into this life and release some of its perfection. When We have good results through the cooperation of the individual, the life that flows to and through him is qualified with some expression of beauty. Often such an one, once in possession of the power to constructively control the flow of life, forgets the assistance given, revelling in *his* talent; receiving the benefits from its use; basking in the applause of his contemporaries and, generally, feeling that life's talents—merely expressed *through him*—are his own! Then such an one (by Cosmic Law) is denied the use of that gift in a succeeding life; until the lesson is learned that life—and Its Giver—are the Doer, the Doing and the Deed.

SERAPIS BEY:

At Luxor, We allow the student to *see* the color, the form and the effect of his personal qualification of life. This is a hard lesson, but it promotes the development of humility in the great and of rebellion in the small. Yet, if the student can and will accept his own qualifying power as the cause and core of his distress, he is on the road to permanent and eternal freedom. He then cherishes the gift of life and develops the potential Divinity within it and, *most important of all,* he *uses* life to bless all in the sphere in which he has fitted himself to dwell, without thought or motive of personal gain or merit.

HILARION:

Life is immortal! This is an encouraging statement—yet it denotes to the thinking man that there is no escape (even in so-called death) from learning the lesson of using life to fulfill the Divine Plan. While the Creator (God) chooses to direct a flow of life-energy into an individual, that one must be held responsible for the qualification of life and for the sublimation of the life he has already used and misqualified in the past ages. While We are in the Resurrection Temple, each student has tremendous opportunity to invoke the Resurrection Flame through the life in his mind, body, world and affairs. We are sincerely hoping many will take advantage of this opportunity and have the wisdom to ask that the Resurrection Flame *only re-animate the perfection within his life expression.* Thus the inner and physical bodies are quickened, renewed and vitalized —the soul is sublimated—and the human creations of the ages are transmuted into beauty and perfection.

JESUS:

When an individual thinks, feels, writes or speaks the words "I Am", he immediately receives the attention of life within him as well as around him. Why? Because the words "I Am" are the signal to intelligent life to create. I learned this lesson at the feet of a Beloved Guru in India. I saw life come to attention when those words were used, silently or audibly. I then saw life immediately *obey* the fiat or decree that followed the use of that creative statement. It was at the feet of that Guru that I learned the power within the Creative word "I Am" and began to utilize it Myself, enjoying the buoyant, uplifting feel-

ing of the *constructive* use of any statement preceded by the words "I Am". I sincerely believe that the ultimate success of My Ministry was the constant and deeply felt use of the simple statement "I Am the Resurrection and the Life of My Divine Plan, *physically manifest here and now*". *Life will obey you!* It always has! Every creation that lives in your world constructive or otherwise, is the result of the obedience of life to your command someplace upon life's way. Turn to the constructive, positive, conscious use of the resurrection power of the Creative Words "I Am" and *prove to yourself* that intelligent life will obey you and manifest *according to your decree.* There is no greater teacher than one's own experience. Try it! I challenge you!

SAINT GERMAIN:

Many individuals all through the ages learned of the obedience of life to the words "I Am" and they purposefully followed these words with imperfect decrees which life proceeded to manifest. Then the masses, used to following some leader, also began to use the words "I Am" to manifest imperfection. Later, they forgot both their teachers (?) and the power within these words; subsequently falling into a loose and uncontrolled use of the Creative Word "I Am". It is now the opportunity of the Spiritual Brotherhood to show mankind how to use the words "I Am", always followed by a positive and constructive statement. The difficulty lies in the fact that man tends to make any statement of power a mere repetition of words without feeling and conscious thought. Thus most invocations, prayers and attempts at resurrection and redemption are not as efficacious as they might be, were the student to truly ponder the Truth that the words "I Am" cause life to obey *instantly* and become that which the speaker indicates he wishes to manifest. Let us now endeavor to use the Creative Word "I Am" *only in a constructive manner;* then witness the resurrecting power of perfection which will flow through the life energy of the student body and all the evolutions using Earth as a planetary home!

BELOVED MOTHER MARY—(Continued from page 11)

give you Our blessing through your giving Us *your attention.* Your attention is the Open Door through which We can reach

you and to have a sustained and expanding radiation of Our peace come into your worlds, you will have to give Us a few minutes of your attention rhythmically every day at the same time, preferably.

Also, just before entering sleep at night, you may ask your Holy Christ Self to take you out to these Great Beings of Cosmic Christ Peace at night while your physical body sleeps. Ask, too, that you be allowed to bring back into your physical brain consciousness when you awaken, all the peace you experienced while in those Higher Realms.

Peace, you know, *is not a negative quality!* It is not relinquishing your stand for the right. "Peace at any price" *is not peace at all*—it is merely appeasement for the moment. There is a great difference here—PEACE IS POSITIVE! Peace is positive in the complete knowledge that right is being done by and through yourselves and peace is also in the knowledge that your fellowman is doing the best he can according to his own light—greater or lesser as that light may be.

Your peace is also sustained by your developing the capacity to take your hands off other people's energy, giving them freedom of expression—all the while making the calls to your own "I AM" Presence and theirs, seeing what can be done to harmonize things by the radiation of that light called forth. What you try to handle or adjust through your words (spoken or written) or your actions through the outer self, many times will cause some recoil of distress to you and all concerned. Believe Me—I have tried that too! Every experience of which I speak to you I have passed through Myself.

Before the birth of Jesus, suppose I had tried to justify Myself to the men and women who cast aspersions upon His legitimacy? Suppose I had chosen to stay at home in comparative comfort rather than travel the long way to Bethlehem over a rough road,—a cold uncomfortable ride—just before the birth of Jesus? Suppose I had chosen to just forget the Archangel's assistance and tell Joseph that inasmuch as the Holy Child had been perfectly born, He would most surely be protected? Those would have been acts of appeasement and they would have resulted in the destruction (even before it got started) of the great Dispensation We were to represent. Then what would have happened? We would have lived out Our lives and

eventually passed on as holy men and women perhaps, and, at a later date, other lifestreams would have been given opportunity to anchor in that Dispensation.

Please remember, beloved ones, that Divine Love, Peace, Compassion—any of these God-qualities of which We speak, *are not negative qualities!* They are never lethargic in their expression. These qualities are the *positive control*—first of the energies *within yourself* and then of all the energy which is around you; *that control being wholly through radiation.* In the Name of God—I BEG OF YOU TO PRACTICE THE HOLDING OF THIS SUSTAINED PEACE, particularly now while you have such opportunity and such tremendous assistance is available to you from Us.

Archangel Gabriel Will Help You

At this time, I would like to bring to you again something about the offices of the Great Archangel Gabriel. This Great Archangel, as you know, helps all to hold the Immaculate Concept. How much have you thought about that? You know, to many of you, your Presence is a lovely figure off in the atmosphere some place, feeding light and life into your physical form through your Silver Cord. You are most certainly glad It is there—but is Its Presence not pretty abstract to you?

We have told you previously that there are about ten billion souls belonging to the evolutions of your Earth—not all of them embodied at once, however. That blessed Archangel Gabriel has voluntarily taken it upon Himself to become acquainted with the Divinity of each one of you—your own beloved "I Am" Presence—to learn Its nature; its colorings; from what planet It originally came; what It is doing at Cosmic levels; what *your* Divine Plan *is* and what you are to do upon this planet and He has taken this obligation as well of holding that Immaculate Concept of perfection for the entire ten billion souls to evolve here! Believe Me, dear hearts! That is a task—a task which as a rule only the Silent Watchers Themselves take on. So, if you want to know more about *what you should be* and how you can achieve that perfection, how about speaking for a few moments every day to Beloved Gabriel?

I assure you He knows more about your Presence than your outer mind and soul can possibly know at this time and He will

give to you such a tremendous radiation of His love, light and wisdom. Of course, you are all lovely ladies and gentlemen *here now,* but, even in Heaven's Realm, there is room for—shall we call it—the "expansion" of loveliness!

Revere Sanctuary Atmosphere

There is quite an assembly here this morning of Cosmic Beings, Ascended Masters, Cherubim and Angels—you can feel it by the radiation. This radiation can be sustained and expanded, if you will keep the atmosphere of your Sanctuary as holy as possible at all times. Do you realize that sometimes when you enter the Sanctuary—there is a Master of Light upon your platform addressing a whole group of lifestreams from the Inner Levels or Angels? Sometimes these very chairs upon which you are now seated are being occupied by Angelic and sometimes Ascended Beings (of course, while no class of yours is in session). It is so! Sometimes there is a mighty Master or Cosmic Being of Light upon your platform, giving instruction to some audience of lifestreams with which He is working at Inner Levels. All of a sudden someone bursts noisily into the room and there is a shattering of the finer vibrations drawn here—I know you would not want that to happen.

When We need some place in the physical octave in which to render some service to life that cannot be rendered elsewhere, is it not perfectly natural for Us to use a place which has been dedicated and consecrated to Our service and into which the Sacred Fire has been rhythmically drawn in a given momentum? It would be well for all to hold a very sacred and reverent attitude toward and in these lovely places which have become just what their name implies—*Sanctuaries* of peace, love and light—away from the pressures of the chaos and confusions of the outer world. Won't you all try to make and keep them so?

Please do not impress upon the ethers of your Sanctuaries any thought, feeling, spoken word or deed that is not of Godliness. Render the service you wish to give *in grace* and please remember the transcendent blessings which have been brought to you by Our Presence with you in your meetings. Whether there is an actual address by the Master or not, where the heart-calls of the lifestreams present are sincere, there is always

one or more of Us in attendance to answer those calls and give you all the help you can and will accept. There are many, many lovely and sincere lifestreams devoted wholly to the service of the Christian Church *who would really worship for the rest of their embodiment here* just *one* visitation from "The Blessed Mother"—yet We come to you *again and again* to help you!

Think on these things, dear hearts! Think often upon them and upon Us—upon the Beloved Saint Germain Who, as Saint Joseph, was so good to Me in that time long ago; think often upon My Son and the Great Archangel Gabriel, Archangel Raphael and all the Angels of Heaven. Think upon These often for—you know the Law—"What your attention is upon—you become". Wherever you work; wherever you shop; wherever you go—go and act there as though you were on a spiritual pilgrimage and the Angels will accompany you, if you do. If you will *hold the peace in your feelings* everywhere you go and in all you do, you have no concept in the outer mind of just what can be done through you; what transcendent Beings will give you protection and help you in many ways of which you know nothing now.

Now, in the Name of the Father and of the Son and of the Holy Spirit; in the Name of My Own Beloved Jesus and in My Own Name, I make the call for the Lord to bless you with His peace; sustain you in good works; illumine your souls as to the pattern and fulfillment of your own Divine Plan; keep you from bodily harm; keep you supplied with the limitless abundance of every good thing; unity of feeling required to create, sustain and expand "The Diamond Heart" and may Lord Michael with His Own blazing Sword of Blue Flame remove now and forever the causes and cores of all in your worlds that can hurt you, your families, your loved ones and your fellow-students! O, how I long for the day to dawn when you have completely and forever lost the capacity to hurt any part of life. I finally came to that day after many very bitter experiences. Work diligently toward that day when you are not able to hurt any part of life ever again and thereafter be that comforting Presence to all life. I do love you so much! Thank you and Good morning!

MONTHLY LETTER TO TRANSMISSION FLAME CLASS

BELOVED ONES, SEEKING THE CONSCIOUS USE OF THE RESURRECTION FLAME: April 20, 1957

I greet you in the name of your own divine heritage—IMMORTALITY! Ponder often, this Springtime, upon the truth that within the life which beats your heart is the power of resurrection of those talents, gifts and momentums which you have drawn forth from your own "I Am" Presence through the ages!

The directing of the Rays from the Resurrection Temple during this thirty-day period will help you to quicken this power of resurrection within you, if you will accept them. Be sure to qualify the resurrection flame's activities to *only resurrect the good in* your lifestream. Tune into that Cosmic Momentum of the Resurrection Flame and let It flow through you, giving you proof of Its Presence and efficacy to act—raising you and your worlds into the perfection which God intended for you when you were first created and sent forth from His heart!

I have directed this Resurrection Flame through the Nature Kingdom for many ages. The acceptance of the Nature Kingdom of the pulsation of the Resurrection Flame has written on the face of the Earth the proof of the power of resurrection in Nature with each recurrent Springtime. Beloved Jesus *proved* the power of the resurrection in His ministry. It is now the responsibility of earnest chelas to *consciously* draw forth that resurrecting power. All of Us Who have used It will help you to experience the buoyancy, happiness and freedom that come with Its use. Enter the Resurrection Temple in consciousness (at least once in every twenty-four hours while it is active). Meet Us there. Then return to your worlds and fill them with that uplifting radiation! *Be* the Resurrection of Divinity wherever you move!

Love and Blessings, MAHA CHOHAN

GROUP LETTER FOR TRANSMISSION CLASS

April 20, 1957

BLESSED FRIENDS OF THE RESURRECTION FLAME:

Your very own—*and very real*—individualized God-Presence "I AM" (anchored right within your beating heart!) bless you this Eastertide with Its full feeling of the Resurrection Flame, manifesting for you in your daily experience life the loveliness, happiness and limitless abundance of every good thing you knew and had with the Father *before the world was!* Consciously accept this now—visible and tangible for your use—for I have called it forth in God's Most Holy and All-powerful Name "I AM", with which nothing can interfere! The more quickly you can accept it in your feelings, the more quickly will it manifest here for you.

Do you know the prayer which rises most often from this planet to the Throne of Grace? It is: "O, God! *give me peace!*" The precious, God-quality of peace is one of the first gifts of God to His creation—it was established in the building of the planet itself, long, long before any of Earth's evolutions appeared to enjoy that creation. Nothing can long be sustained without it and even life in the physical body cannot be sustained too long without definite periods of peace and rest, away from the chaos and confusions of the human discordant consciousness. Everyone and everything loves peace! The very life energy which beats our hearts, flowing into our bodies constantly, waking or sleeping, day or night, IS PEACE ITSELF—until it touches the energy of our feeling worlds; then flows down through the mental body, then the etheric and finally into the physical. This is wholly obedient substance and, consequently, as it passes through the four lower bodies of the individual, that pure and perfect substance, originally qualified with the God-quality of peace, now obediently takes on the vibrations of the energy it contacts and becomes qualified with that which—most of the time, at least—is not God-peace! Do you realize that the stream of light and life which flows so constantly into your physical form and actually gives your heart the energy of beating was—just a moment ago—beating the heart of your own God-Presence—for your life is Its life—and from Its heart that energy came—as did you and all mankind, in the beginning?

What disturbs our peace most? Well, there are two very

prominent causes of disturbed peace and they are DOUBT and FEAR! One cannot be at peace with either or both of these destructive and negative feelings running rampant in the consciousness. Many times—especially in the crowded conditions of large cities where great numbers of people constantly live in close proximity to each other—the feelings of doubt and fear one experiences may not be from his own world at all but "picked up" from the atmosphere where great "tides" of such feelings sweep constantly. Certain locations and even buildings are sometimes charged with these unfortunate vibrations and those who contact them sometimes take on their unhappy feeling.

Now, what *practical* thing can we do to protect ourselves from such absorption of that which we do not want to register in our worlds? The Beloved Jesus has given us an easy exercise to practice which will not only help ourselves but others to this end. *Having achieved that tremendous victory of becoming Peace Itself*—so much so that even the waves of the sea instantly obeyed Him—we can safely trust His wisdom when He asks us to do the following:

Picture upon your own forehead (right between the eyes—for this is the place where doubt enters the mind) a disc of brilliant golden Flame about three inches in diameter, in the center of which picture the luminous Presence of Beloved Jesus in dazzling white light. Place a similar activity over your solar plexus (where *fear* enters the *feelings*), of course expanded in size so that the disc is about the size of a small dinner plate; the luminous Presence of the Beloved Jesus would be correspondingly larger here too. When you "see" this upon yourself (do it three times a day—it only takes a moment—but don't do it once and then forget it for a week! Rhythm of application is so important!) take just a silent moment to really visualize it—"set in" as it were to the actual substance of the body. Just try it and you will draw limitless blessings to yourself by such a practice. Then keep it up—build a momentum—and one day you will be glad you did. This practice will give great assistance to the Resurrection Flame in Its service of restoring this dear Earth and all within and upon It, to the PEACE which was here in the beginning.

Grateful for your expanding peace—

"I AM" FRANCES K. EKEY
